## Restaurant & Companies visits (subject to changes)

These visits will include visiting some of the Halal restaurants to learn how they cater to the Muslim diners and companies that uses advanced technologies to achieve high productivity.

They may include:

### Hanasaka-jisan

Hanasaka-jisan is a halal shabu-shabu restaurant in Tokyo. Over 1,000 Muslims dine at this restaurant every year. This authentic shabu-shabu restaurant, which uses real Wagyu (Japanese beef) from Miyazaki Prefecture, is located just a one-minute walk from JR Shibuya Station.

Find out more: <http://hanasakaji-san.jp/>

### Salma Tikka Biryani

Located near Shinagawa Station, Salma Tikka Biryani is known for serving authentic and affordable halal Indian food.

# Study Mission to Tokyo Japan's Halal food market and business opportunity

Tokyo . Japan

5 - 8 Feb 2018

Organised by:

## Malaychan satu

Islam customers living in Japan can enjoy all dishes at MALAYCHAN. As a Halal-Certified restaurant, they do not serve pork dishes, but still make efforts to reproduce the flavors served at food stalls in Malaysia, which Japanese tourists love. In order to do so, they frequently travel to Malaysia to purchase food ingredients. Some of their popular dishes are nasi goreng, coconut curry, satay, and otak-otak.

## Bosphorus Hasan

Hasan Unal, the leading expert of Turkish cuisine, is the owner of the restaurant. Lamb, beef, and chicken kebabs are the popular dishes. Diners can enjoy authentic Turkish food served with the spirit of "omotenashi" that has been retained by HASAN UNAL for many years in the comfort of the restaurant located in urban oasis of Tokyo.
